Dallas Chapter

PROGRAM SPOTLIGHT

For 46 years, Jack and Jill of America, Inc. Dallas Chapter has hosted Beautillion, a celebration of achievement and social grace for Dallas' best and brightest young men. Our theme this year, "Illumination: A Night of Legacy & Radiant Futures", looks back at the legacy of Beautillion and looks forward to the promising future of these high school seniors. The goal of the fundraiser is to provide awards and support projects that empower young people to further their education while lessening the burden and stress related to financial constraints.

The "Beaux" represent a select group of high school seniors planning to pursue higher education after graduation. They are chosen in recognition of their demonstrated achievements in academics, sports, the arts, community, church involvement, leadership, and overall commitment to the advancement of his community.

The Beaux and their accompanying Belles participate in a three month program that begins with a weekend leadership retreat. They participate in activities that encourage and demonstrate team building, financial planning, career preparation, leadership development, legal system, law enforcement interaction, and health literacy. They also partner with Jack and Jill teens to take part in a community service project. Beautillion season culminates with a black-tie ball and award fundraiser to showcase the many hours of personal development, fundraising, and community service completed by the Beaux.

"It takes a village to raise a child"

The African proverb, is key to our development of the Beautillion Corps. Contributions of time and talent by Jack and Jill mothers and fathers and leaders in business, law and law enforcement, medicine, professional sports, broadcast radio, education and many other disciplines have paved the way for these young men and women as they prepare for a new phase in their lives.

Beautillion fulfills an important mission of Jack and Jill, to develop good character, promote academic excellence and provide service to our community. Through this program, we fund college awards, sponsor local community projects that uplift youth and families, and support the Jack and Jill of America Foundation, Inc. which shares our mission to invest in the future of our children.

Our hope and prayer is that each Beau and Belle will continue to invest in themselves, be encouraged to support those who are less fortunate, seek the best education, work hard at their chosen craft and continuously better themselves and the world they inhabit.
